GRUPO DE TRABALHO EM QUESTÕES LÓGICAS (GTQL/WGLQ)

Dia 9 de Dezembro (quinta-feira), às 15h, na Sala C6.2.38 da FCUL

“ON INTUITIONISTIC NF”

(continuation)

Sergei Tupailo

(CMAF)

Abstract:

This time, I will conclude a series of more than 2 talks describing my latest attempts to save something of António Fernandes' ideas as to

Consis(NF) proof presented last spring. Even though Extensionality and Ambiguity are true in my Kripke model, the amount of Comprehension I can prove to hold is severely restricted. Good ideas from the participants of the seminar on how to improve the envisageable result are most welcome.
