

**Mês de: JUNHO 2014**

## **SEMINÁRIO DE LÓGICA MATEMÁTICA**

**Dia 5 de Junho (quinta-feira), às 15 horas, na Sala B3-01**

### Details of Harrington's forcing argument (II)

**Fernando Ferreira**

(Universidade de Lisboa)

**Abstract:**

Harrington's conservation result regarding the conservativity of  $WKL_0$  over  $RCA_0$  was the subject of seminars #9 and #11 this year by António Fernandes. In this seminar, we go through some details of the forcing construction.
