SEMINÁRIO DE TEORIA DOS MODELOS

Dia 18 de Junho (sexta-feira), às 15h, na Sala B3-01

“On geometric proofs of o-minimality and model-completeness”

Tamara Servi

(CMAF-UL)

Abstract:

I will describe some geometric methods to prove that certain expansions of the real field are o-minimal and model-complete. I will give an overview of the known results in this area, in preparation for Prof. Rolin's talks next week.
